Certifications | Internships

Geekster | Geekster Full Stack Web Development Bootcamp
- Solved 200+ DSA/Coding questions on geekster platform
- Participated in various Coding contests organised by the platform.
- Worked on various projects like **Google Drive, Movie App**
- Technical Stack Learned**: HTML**, **CSS**, **JavaScript, React** and **Java**

Projects

Google Drive [*Github Link*]**
- Developed a user-friendly interface where users can upload, download, organized and share files.
- Key Features**:** Implement a secure user authentication to allow users to sign up, log in, and manage their accounts. You can use Auth for third-party authentication or implement your own authentication system using framework like Firebase Authentication,
- Developed a search functionality to allow users to quickly find their files based on keywords
- Tech Stack: HTML, Tailwind CSS, JavaScript, React, Firebase, VS Code

Movie App [*Github Link***]**
- Frontend Interface: Created a user-friendly interface for the app using web technologies. This interface will display movie listing, details, trailer, rating, trending and reviews
- Key Features: developed search functionality to allow use to search for movies based on tittle, genes, release year, or other criteria. Implemented filter to help user narrow down their search results
- Optionally: Implemented a recommendation system to suggest to users based on their viewing history, rating and preferences.
- Tech Stack: HTML, Tailwind CSS, JavaScript, React, IMDB Api, VS Code

Skills

- **Computer Language**: Java, JavaScript,
- **Frameworks / Libraries**: ReactJS, Redux tool kit,
- **Additional Courses**: Data Structure and Algorithms, OOPs,
- **Tools & Technologies**: GIT, VS code

Education

Year	Degree/Examination	Institution/ Board	CGPA/Percentage
2023	B. Tech	BITS	8.30CGPA
2020	DIPLOMA	MANUU	8.25 CGPA
2017	10th	BSEB PATNA	63.00%

Hobbies

- Playing Cricket
- Exploring New Things and New Technology
